

Young Adult Ministry

The Office of Youth and Young Adult Ministry for the Diocese of Knoxville is in the process of developing an outreach to young adults, beginning with a focus on two groups: young adults age 18 through 20 and young adults in their 20s and 30s.

Our goal is to get input and feedback from members of these groups and to establish regional groups with varying interests throughout the diocese.

Please fill out the form below and place in the offertory basket during Mass or go online and share your input at our Facebook fan and group pages. Members of our ministry-formation committee will contact you.

Plans are being developed to have opportunities for service, Bible study, Theology on Tap, and Why Catholic groups specifically for young adults.

During the next few months, we will need your input to be sure we are meeting your needs. Feel free to contact either Nate Puplis (npuplis@gmail.com) or me, Al Forsythe (aforsythe@dioknox.org), if you have any questions.

New Young Adult Ministry Opportunities!

The Knoxville Diocese is very interested in forming a group of young adults between the ages of 18 and 35. We need your help, though! Please fill out the below information and submit online so we can see how many people would be interested!

Name: _____

Age: _____ Do you have children? Yes No

E-mail: _____
